

B7FENIX®

NEOS

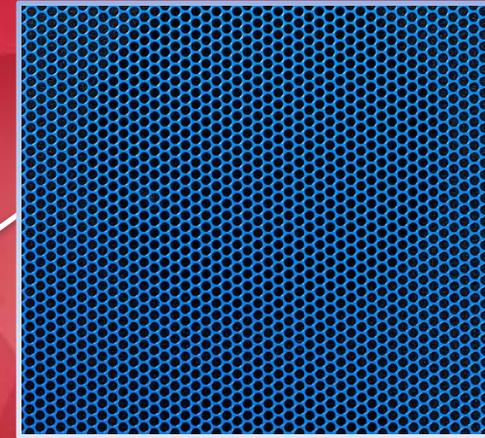

Simple yet stylish, feature-rich yet affordable, Neos is the ideal PC chassis for value seekers and first-time builders. The elegantly crafted mesh front panel brings a clean and uncluttered look to the chassis while bringing a splash of color to brighten up any computing space. Users can look forward to dedicated 3.5" and 2.5" drive racks, and compatibility with graphics cards up to 30cm long. Neos makes installation easy with tool-free mechanisms and dual dust filters mean quick cleanup. To enable quick file transfers, Neos even comes equipped with a high-speed USB port. Brimming with niceties like an aluminum BitFenix logo badge and a powder-coated interior, Neos brings a colorful and smart design at an eminently affordable price point.

Highlights

- **Play with Color** – Available in multiple color combinations to suit any environment
- **Simply Stunning** – Simple and clean design with enhanced airflow for cooling system components
- **Window Option Available** – Show off the components inside
- **Plentiful Storage** – Three 3.5" HDD and three 2.5"SSD locations provided
- **Fits Long Graphics Cards** – Fits long graphics cards up to 30cm in length
- **SuperSpeed USB 3.0** – Transfers at speeds up to ten times that of USB 2.0
- **Trouble-free Installation** – Tool-free drive locking, removable dust filters and CPU cutout
- **Tremendous Value** – Robust features at an extremely competitive price
